Lawyer Dr. Brahim LATRECH, the holder of PHD in law, lawyer registered with the Tunisian Bar ready to put his skills to work either as a lawyer, a mediator, or an arbitrator to assist you in reaching the best outcome in your case

Our firm offers its services in the following areas:

Investment in Tunisia, Real estate law, Criminal law, Maritime law, Industrial property, Intellectual property, Family law, Tax law, Customs law, Corporate law, Ship arrest in Tunisia, Personal injury law

We are a Tunisian law firm with areas of practice in business law with its diversifications mainly in maritime, land, air and multimodal transport rights and related cases.

Our law firm has built a reputation in this field by providing accurate, fast, and excellent services meeting the needs of our clients in accordance with the provisions of national and international laws.

Our lawyers have great experience in consulting, negotiating various business agreements, mediation, arbitration, and litigation before the courts.

Having full access to a global network of law firms, we are able to process contracts that are subject to other laws and enforce foreign arbitration awards and judgments in Tunisia.

The long and rich experience as well as the in-depth knowledge of our local and international work we offer to those involved in commercial law and transport rights have enabled us to manage projects of different sizes especially foreign investments in Tunisia. We have developed our practices in this area in order to provide integrated services to our clients from consultation, issuance of documents, mandatory local registrations, and all matters related to commercial law and corporate law.

Our firm offers a wide variety of legal services including:

**Transport law**

**Customs law**

**International trade**

**Drafting of commercial contracts.**

**Representing clients in commercial transactions, negotiations.**

**Registration issues related to trademarks and patents.**

**Corporate law**

We support and advise companies on the followings:

How to best choose the legal form of a business.

Registration of companies, partnerships, subsidiaries, branches, representative offices of local and foreign entities.

Company liquidation.

Foreign investment in Tunisia and acquisitions.

Legal research

Due to the growing business interactions between Tunisia and the world, our law firm specializes in providing all the necessary legal support for newcomers to Tunisia to start a new business and to assist them in finding the right business partners or agents.

EXAMPLES:

- Starting a business - License management - Employment of workers.

- Registration of assets - Obtaining credit - Investor protection

- tax payment, Trade across borders -

Execution of contracts

**- Business closure and liquidation.**

Our law firm provides distinguished intellectual property services, namely; Trademarks, copyright, patents, industrial designs, trade secrets and unfair competition. Our work team aims. to protect the fruits of the intellect of our customers. Today, the scope of intellectual property protection is not just limited to the traditional scope of patents, trademarks, and copyrights since it has widened its scope to cover domain names, integrated circuits, semiconductors, database, software, trade secrets, etc....

Thanks to our dedicated team, we are constantly monitoring developments and ongoing changes in intellectual property law both in Tunisia and the international arena.
